

END OF TERM SHOE APPEAL!!

If you're looking to replace your child's school shoes next term and would like their old ones (still in good condition please) to go to a good home, then why not bring a pair of flip flops or trainers to wear on the last day of term and leave them here at the school office.

We are collecting school shoes and rugby boots that are still in good condition to send out to the children that Lunchbowl supports in Kibera, Kenya.

Please could you give them a quick polish and tie them together before handing in.

Thank You!

We also need just a few old suitcases to pack them into.
